

Message

from the Chair of
an Autonomous College Principal

Dear Students and Parents!!!

Welcome to Jagiroad College, a premier NAAC A+ Graded and UGC Autonomous College!!!

First and foremost, I would like to express my sincere gratitude for choosing Jagiroad College as your new academic destination which is filled with holistic learning experiences, social and extracurricular activities, and caring for personal and professional growths. Jagiroad College since its inception has been in the forefront of promoting inclusiveness and equity, adopting learner-friendly teaching-learning approaches, academic exchanges, organizing workshops, seminars and conferences, exhibitions, student excursions and counseling sessions for all round development of its students. This institution is devoted in provision of strong focus on academic excellence and in fulfilling students' dreams into reality through its sincerity and perseverance. For its relentless efforts, the college has recently been conferred Autonomous Status by the UGC and we are going to offer our FYUGP Sem-I courses under the ambit of Autonomous College System from this academic session.

Over the years, Jagiroad College has been attracting new learners for its tranquil greenery campus, good infrastructure with modern ICT facilities, dynamic, energetic and supportive faculties and staff, pro-active and visionary management. Over the years, the college has been expanding its academic offerings from undergraduate Arts and Science Streams to career orientated professional disciplines under Gauhati University. The college also offers distance education programmes under IGNOU, KKHSOU and GU-IDOL (renamed as GUCDOE from 2023). The college is also going to introduce B.A.B.Ed. and B.Sc.B.Ed. under Integrated Teacher Education Programme (ITEP) of NCTE from the academic session 2026-27. The college also offers opportunities to learn from National and International workshops, seminars and conferences from time to time. As a part of its social responsibility, the college last year organised a mega International Semiconductor Workshop on 25th October 2024, with an aim of creating mass awareness on TATA's Semiconductor Industry which has started its industrial establishment at Jagiroad. Again the college organized ICSSR sponsored International Seminar on 28th and 29th November 2024, where students got the opportunity to learn and interact with various national and international speakers and presenters. The overall quality of education offered and maintained by the institution has been reflected in the recent assessment done by NAAC in its 3rd cycle in the year 2023. The NAAC peer team has assessed various indicators comprising of physical facilities, academic activities, infrastructural development, etc., etc., and accredited the college with encouraging A+ grade. This proves the testament of the glory that the college has been continuously carrying over the years.

Jagiroad college now Jagiroad College (Autonomous) is viewed positively by many eminent personalities such as Prof. Nani Gopal Mahanta, Hon'ble current Vice Chancellor of Gauhati University during his visit to this college immediately after the 3rd Cycle of NAAC assessment outcomes and encouraged the college fraternity for their enthusiasm and passion in teaching, fostering critical thinking etc. and further encouraged the college fraternity to move ahead with Academic Autonomy. The college has been making every effort to upgrade itself for students' intellectual growth and development. Therefore, I encourage each one of you to explore the opportunities that the institution has been offering.

WISHING YOU ALL HAPPY LEARNING HERE !!!

Dr. Bhaben Chandra Neog
Principal and Secretary, Jagiroad College
Date: 18-07-2025

Message *from IQAC Coordinator*

It is a matter of immense pride and privilege to be a part of Jagiroad College, an institution that has consistently upheld academic excellence, innovation, and holistic development. Our recent NAAC accreditation with an A+ grade is a testimony to the relentless efforts of our faculty, students, and stakeholders in nurturing a vibrant academic environment. The mind is restless and difficult to restrain, but it is subdued by practice. Jagiroad College offers the students a good platform to practice not only in traditional education but also to show their abilities in sports, cultural activities and other competitive fields. As the Internal Quality Assurance Cell (IQAC) Coordinator, I assure you that quality enhancement and continuous improvement remain at the heart of all our endeavors. We are committed to fostering a culture of accountability, inclusivity, and integrity—ensuring that every student who walks through our doors is empowered with knowledge, skills, and values for life.

I welcome all the newcomers to this holistic environment of Jagiroad College to become a part of this dynamic journey of excellence at Jagiroad College.

With Best Wishes

Dr. Chitta Ranjan Sarkar

Coordinator, IQAC, Jagiroad College

Message from Convenors

It is a wonderful opportunity for us to serve as joint convenors in the convoluted process of creating and presenting the college prospectus for the academic year 2025-26.

Jagiroad College is an acclaimed institution of higher education that has opened the doors of learning to all enthusiastic learners for the past 45 years since its inception in 1979. Since then, the college has served students from many socio-economic and cultural backgrounds. The college has provided exceptional education in all four streams (Science, Arts, Commerce, and B.Voc.), resulting in successful and responsible individuals across a variety of sectors. With the expectation that we will see a large number of new faces this year who we would like to welcome into our family, this prospectus has been produced with the assistance of all committee members to make the admissions and subject selection process easier. Once again, we extend a hearty welcome to everyone and wish you all the best.

With best compliments and regards,
Convenors

Dr Sangeeta Sarma

Dr Dipti Thakuria

Chairperson

Dr. Bhaben Chandra Neog
Principal

Prospectus Committee Members

Dr Sangeeta Sarma, Department of Botany (Joint Convenor)
Dr Dipti Thakuria, Department of Zoology (Joint Convenor)
Dr Chitta Ranjan Sarkar, Department of Chemistry (Coordinator, IQAC)
Dr Gitumoni Rajbongshi, Department of Economics
Mrs Sangeeta Deka, Department of Commerce
Miss Gyanashree Saikia, Department of Geography

New Education Policy - 2020

Education is primary for attainment of an equitable and just society, and promoting national development of any economy. Development of good humans capable of rational thought and action, possessing compassion and empathy, courage and resilience, scientific temper and creative imagination with sound ethical values are the main objectives of the new education policy.

Aim of the New Education Policy

- Unique abilities of each student will be recognised, identified and fostered by developing students in both academic and non-academic fields.
- Foundational Literacy and Numeracy to be achieved by Grade 3.
- No hard separations between arts and sciences, between curricular and extra-curricular activities, between vocational and academic streams, etc.
- To encourage logical decision making and innovation among students.
- Promotion of multilingualism and power of language in teaching and learning process.

School Education

Key points:

1. School curriculum and pedagogy have been restructured in a new 5+3+3+4 design.
2. Foundation Stage for children of ages 2-8 years: 3 years of Anganwadi/pre-school + 2 years in primary school in Grades 1-2.
3. Preparatory Stage for children of ages 8-11 years (Grades 3-5, covering ages 8-11), Middle Stage (Grades 6-8).
4. Secondary Stage of children covering ages 14-18 (Grades 9-12 in two phases, i.e., 9 and 10 in the first and 11 and 12 in the second).
5. The medium of instruction up to Grade 5, but preferably till Grade 8 and beyond, will be the home language/mother tongue/local language/regional language.
6. Sanskrit will thus be offered at all levels of school and higher education as an important, enriching option for students, including as an option in the three-language formula.

7. Foreign languages, such as Korean, Japanese, Thai, French, German, Spanish, Portuguese, and Russian, will also be offered at the secondary level for those students who are interested.
8. Importance will be given to Artificial Intelligence, Design Thinking, Holistic Health, Organic Living, Environmental Education, Global Citizenship Education (GCED), etc. at relevant stages to develop these various important skills in students at all levels.
9. School examinations will be held only for Grades 3, 5 and 8 in a formative style to encourage higher order thinking skills, conceptual clarity and critical thinking.
10. Board examinations for Grades 10 and 12 will be continued but redesigned to encourage holistic development.

Higher Education

Key points:

1. The undergraduate degree will be of either 3 or 4-year duration, with multiple exit options within this period.
2. During the undergraduate degree program, a certificate will be offered after completing 1 year in a discipline including vocational and professional areas, a diploma after 2 years of study, or a Bachelor's degree after a 3-year programme.
3. An Academic Bank of Credit (ABC) has been introduced which would digitally store the students' academic credits earned from various recognized Higher Educational Institutions HEIs so that the degrees from an HEI can be awarded taking into account credits earned.
4. Pedagogy will have an increased emphasis on communication, discussion, debate, research, and opportunities for cross-disciplinary and interdisciplinary thinking.
5. India will be promoted as a global study destination to restore its role as a Vishwa Guru by providing premium education at affordable costs.
6. The National Scholarship Portal will be expanded to support, foster, and track the progress of students receiving scholarships.

Constitutional, and universal human values of truth (satya), righteous conduct (dharma), peace (shanti), love (prem), nonviolence (ahimsa), scientific temper, citizenship values, and also life-skills; lessons in seva/service and participation in community service programmes will be considered an integral part of a holistic education.

Jagiroad College

A brief profile of the College

Jagiroad College (the erstwhile KapiliAnchalikMahavidyalaya) was established on 8th August, 1979. The College is located at Jagiroad in the Morigaon district of Assam, at a distance of nearly one hundred meters from the AH 2. The serene campus, spread over a spacious area of twenty- five bighas of land, is nestled by the picturesque Sonaikuchi Hill. Culturally it lies very close to Na- Khola—the abode of the Prince Regent of the ancient Kingdom of the Tiwas—one of the indigenous tribes of the state endowed with its distinctive traditional heritage. Jagiroad College was established by a group of foresighted and committed social-workers of the region. Shri Mahendra Ahom, the founder Principal played a pivotal role for seventeen years in the development of the College. With his dynamism, the College was able to attract students from the surrounding rural hinterlands who were mostly “first generation” learners belonging to the socio-economically disadvantaged and marginalized communities. Shri Ahom laid the foundation of the academic and infrastructural blueprint of the College while inspiring the teachers to promote the cherished values of inclusiveness and equity without losing sight of qualitative parameters. During his tenure both the Arts and Science Streams of the College were brought under the “deficit-grant-in-aid” system of Government of Assam following affiliation of its programmers and courses by the Gauhati University and it became eligible for development grants under sections 2(f) and 12(b) of the UGC Act 1956. In 1997, Sri Ahom left to Nowgong College and on his resignation, Dr. Altafur Rahman has joined the College as the second permanent Principal and served for eight years between 2000 and 2008 and then as the President of the G.B. for five years. During Dr. Rahman’s tenure the College was accredited and assessed by the NAAC and career oriented professional programmes like MTM and PGDCA (under Gauhati University), distance education programmers under IGNOU, tie-up with NBIRT for promotion of entrepreneurship were introduced. He also worked towards further expansion of infrastructural facilities like construction of hostels, expansion of library and computer center. During Dr. Rahman’s tenure, the College also celebrated its Silver Jubilee in 2005 with enthusiasm and gaiety with active coordination of a large number of its alumni. That same year the College came under the ambit of the Assam College Employees (Provincialisation) Act, 2005. Besides Dr. Rahman, one of the former Vice Principals- Shri UtpalmoniPhukan served as the Principal-in-charge in two

phases.

Dr. Bhaben Chandra Neog, the present Principal of the College has joined as the third permanent Principal of the College in January 2012 and started off his tenure by launching programmes and courses like Bachelor in Commerce (B.Com. with both Major and General Courses). It is under the initiative of Dr. Neog that the college has introduced a few innovative skill and employment - generating programmes with financial support from the University Grants Commission (UGC). These courses are included in two different schemes namely-Community College scheme and Bachelor of Vocation (BVoc) scheme of the UGC. Of these, the Pulp and Paper Technology (PPT) and Fashion Technology were introduced in 2015-16 under the Community College Scheme of UGC. But due to the closure of the Nagaon Paper Mill of HPCL these courses have been discontinued from the 2019-20 session.

Under the Bachelor of Vocation (B.Voc.) scheme of UGC, the College has been imparting B.Voc program in (i) Retail Management (RTM) and (ii) Entertainment-Acting (ACT) since 2015-16 academic session and (iii) Tourism and Hospitality Management (THM) program from the Academic Session 2018-19. All these have been running as three year Bachelor Degree Programmes under the Gauhati University. Sector Skill Councils like Media and Entertainment Sector Skill Council (MESCC), Retailers Association Sector Skill Council (RASCCI) and Tourism and Hospitality Management Sector Skill Council (THSC) under the National Skill Development Council (NSDC) evaluated the students studying in these Programmes for their skill components. As a part of skill enhancement and employment centric commitments, the college has signed a number of Memorandums of Understandings (MoUs) with different Industry partners/ Institutions to empower the students in skill and related activities. Regional Govt. Film and Television Institute (RGFTI) located at Kahilipara, Directorate of Tourism, Govt. of Assam extended their support to the students. They have encouraged endeavors in implementing courses to generate skilled human resources for the benefit of society.

During the last nine years, the college has seen many new additions in terms of academic as well as in infrastructural fronts. Apart from regular courses and skill-based courses, Distance Education courses have also been introduced for the needy students. Those who could not avail their higher educational needs have been availing their dreams realized through the study cum exam centers of IGNOU, KKHSOU and GU-IDOL located in the college. Since the college has put utmost emphasis upon infrastructural facilities, the process of up-gradation of the classrooms is underway and six numbers of classrooms have already been upgraded with digital smart-boards. A Digital Language Laboratory was added to the computer department for students seeking development of English language skills. A 50 kw Solar power plant was installed in the college to meet the shortage of power supply for the smooth functioning of the academic and other day-to-day activities. The college has also successfully established its digital library building. Since its early days, Jagiroad College has been in the forefront in promoting inclusiveness and equity, adopting learner-friendly teaching-learning mechanisms, academic exchanges and organizing seminars and conferences.

In the past, the college has successfully organized annual/biennial sessions of NEIHA, NEIGS, ACPC and AACEA apart from having a regular calendar of seminars by the IQAC and hosting State and National level seminars/webinars on different topics/subjects. Dr. Subhash Saha, a faculty of the History department, carved a niche for himself as a multifaceted scholar-poet- social activist and was engaged in Post Doctoral research till his untimely demise in 1994. Prof. Moloya Goswami, who has retired from her service, bagged the Best Actress Award of the 37th National Film Awards in 1992 for her stellar role in Jahnu Barua directed movie Firingoti (A Spark). She was also thrice nominated as a member of the prestigious jury for the National Film Awards. Shri Tulshi Kr. Bordoloi, a retired faculty of the History Department and a former President of the Tiwa Mathonlai Tokhra (Tiwa Sahitya Sabha) acts as a key resource person regarding studies in the cultural and literary heritage of the Tiwas. Dr. Poban Ch. Gogoi and Dr. Khagen Sarma, both retired Associated Professors

and Ex Heads of Education and Geography Departments respectively, contributed their skills in the cultural arena for the benefit of the society. Dr.Gogoi established a Music College just in front of the College and Dr.Sarma established a SatriyaSangeet Vidyalaya and helped spread the Vaishnavite culture for the last twenty-five years for the greater cause of the society and common people.

Teachers of the college are also committed and engaged in Major and Minor research projects besides being awarded Ph.D. and M.Phil. Degrees from universities of repute and institutes of national importance. A section of the teachers is also actively engaged in local literary, cultural and sports organizations besides offering assistance and consultancy to community-based organizations. Sections of the non-teaching staff too are sincere and committed in their services.

With its pleasant and peaceful teaching-learning ambience the college campus is an ideal place to study. The College also has a supportive alumni association, many of whom have successfully shaped and carved out their careers in different fields including, education, health, management, society and research areas. Additionally, the College has excellent infrastructural facilities, a reasonably high rate of gender parity, a wide array of full-time academic programmes and courses ranging from Higher Secondary to Master in Tourism Management, also offers excellent support for affordable and broad-based Distance Education under IGNOU, KKHSOU and IDOL of Gauhati University. The College also boasts of a well-stocked and updated library with nearly thirty thousand books, varied schemes of scholarships for learners, seminars and conferences, grievance redressal mechanism, and a wide range of CCA activities. It is gradually and uniquely poised to scale higher in the contours of Higher Education of Assam. The institution has all along been trying to evolve its own quality-sustenance mechanism in its pursuit to achieve academic excellence. The college has been able to yield B+ grade with 2.71 CGPA in the second cycle of its assessment by NAAC in 2016. The department of Biotechnology, GoI has approved and funded the DBT Star College Scheme grant to this college in 2019-20 through which the college hopes to be enhancing science education both theoretically and practically.

NAAC Accreditation 2023

Jagiroad College is a NAAC accredited A+ Grade College (3rd Cycle: 2023) with CGPA 3.26 points.

Jagiroad College – In India’s Best Colleges list

(As India Today MDRA survey report for six consecutive years: 2019, 2020, 2021, 2022, 2023,2024)

Few vital points usually arise while considering National Ranking of an Institution. What is the present status of any stream of a higher education institution (HEI) in comparison to the rest of the similar institutions in the country? How can an HEI justify itself as this or that type of Institute or how one can compare its status or rank with other similar institutions? NAAC is an autonomous body for assessment and accreditation of HEIs every five years. Apart from NAAC, is there any other national testing agency to annually evaluate or assess any HEI in our country? Although the National Institution Ranking Framework (NIRF) had started the process by working and ranking institutions since 2014-15, parameter wise limited scopes available for stream-wise participation for many institutions. From that perspective, the national survey conducted by the “India Today group” has been conducting Best College Survey Ranking in India (now-a-days known as MDRA-India Today National Best College Ranking Survey) for the last twenty-five years holds a valid reason to participate. Last year they conducted the survey covering 9 broad aspects in 9 different sections including a special section for covid-19 impact assessments.

Our college has participated in their survey since 2019 with a clear intention to check the National status or National Position/Rank among hundreds of other participating institutions. To our surprise and as per the

MDRA-India Today National Best Colleges Ranking survey report, in the year 2019, the college had emerged as one of the best colleges in our country. In that year, Jagiroad College held National Ranks at 112, 112 and 141 for its Arts, Science and Commerce streams respectively. Again in 2020, the three streams of the college secured ranks 127(Arts), 132(Science) and 137(Commerce) in spite of Covid-19 pandemic. In the 2020 survey report, the Commerce stream had emerged as 3rd College in India having lowest tuition fee. Further, despite the second wave of Covid-19 pandemic in 2021, the college has yet again established itself as one of the best by holding national ranks at 155(Arts), 149(Science) and 158(Commerce). In 2022, 2023 and 2024 also the college could uphold its ranks at national level. Thus, albeit with some ups and downs, the three streams of the college have been maintaining national ranking in that survey ever since its first participation. Thus, the National Ranking to the college that too for three successive years is really a matter of pride for the entire college fraternity.

“One District One Green Champion” award-2021 to college

The college proudly announces that under the “Swachhata Action Plan 2020-21” of Ministry of Education GoI, this college was awarded the prestigious “One District One Green Champion” award by the Mahatma Gandhi National Council of Rural Education recently. In the award list, this college has been enlisted at 24 out of 400 other colleges/Universities/NITs/IITs in India. This announcement greatly encourages the college fraternity towards maintaining a clean and green environment with social commitments. Thus, the involvement of the college family in areas other than academics gains momentum and expects to be a more vigilant and socially conscious institution.

Participation in Unnat Bharat Abhiyan (UBA) activities

The Unnat Bharat Abhiyan (UBA) 2.0 was launched by Govt. of India on 25th April, 2018 in AICTE auditorium, New Delhi. Jagiroad College has participated in that event. Under the UBA, the college has adopted five villages namely JatiBamphor, No-1 Madhupur, No-1 Bongalbori, Sonaikuchi and Tetelichong. Activities like household survey, cleanliness drive, awareness through school meetings and awareness rally, etc. were conducted in these villages by involving college students (NCC, NSS and others) including faculties. Health check-up camps, street play for awareness distribution of cleaning materials such as bleaching powders, phenyls etc. during flood among affected villagers, blankets and other garments during winter, sensitization of school building prior to reopening of school after Covid lockdown, distribution of face mask in JatiBamphor village etc. were the other activities conducted by the College under UBA.

PROGRAMMES AND COURSES

Jagiroad College offers the following categories of HS and UG programmes in regular modes

Programme Category-I Higher Secondary (HS) programmes

(Affiliated to AHSEC)

The college offers two-year HS programmes in Arts, Science and Commerce streams. The subjects available in the college for HS programme are mentioned below. The curricular framework of the AHSEC is similar to that of the CBSE.

1) Higher Secondary Arts (Two years) (Provincialised)

Subjects : English, MIL#(Assamese, Bengali, Hindi, Bodo, Alternative English), Economics, Education, Geography, History, Mathematics*, Computer Science* (with Mathematics only), Political Science and Environmental Studies.

2) Higher Secondary Science (Two years) (Provincialised)

Subjects : English, MIL#(Assamese, Bengali, Hindi, Alternative English), Biology, Chemistry, Mathematics, Physics, Computer Science* and Environmental Studies.

3) Higher Secondary Commerce (Two years) (Self-Financed)

Subjects : English, MIL#(Assamese, Bengali, Hindi, Bodo, Alternative English), Accountancy, Business Studies, Finance, Mathematics and Environmental Studies.

Few important points:

- Note (i) :** All the students of HS First Year (Arts and Science) are to compulsorily undergo a reading and oral skill test (10 marks) in the subject of English- which is in addition to their theory paper (of 90 marks) on the subject. The total of marks in the subject thus is 100. The Oral test is conducted by the concerned department.
- Note (ii) :** Under the guidelines and rules of AHSEC, all HS students (Arts and science) have to take English and MIL/Alt. English as compulsory subjects for first and second years.
- Note (iii) :** Environmental Science is a compulsory subject for HS First Year (all streams).
- Note (iv) :** From the rest of the subjects, they must compulsorily choose three Elective Subjects. They may also take up a fourth Elective Subject of their choice.
- Note (v) :** The Annual Examination of HS First Year is conducted by the Examination Committee of the College under the strict guidelines of the AHSEC. The Final Examination is conducted by the AHSEC of which the College is a recognized examination center.
- Note (vi) :** *Mathematics subject for Arts stream has been included from the academic session 2020-21.
- Note (vii) :** *Computer Science subject for Science and Arts streams has been re-introduced from the academic session 2021-22. For Arts stream students, one can choose Computer Science subject if he/she has chosen Mathematics as one of the subjects.

Jagiroad College

Programme Category-II Undergraduate (UG) programmes (Affiliated to Gauhati University)

The College offers Three-year (six semesters) Major, Minor and Four year (eight semesters) Honours with Research Degree under FYUGP programmes. All these programmes are being conducted under the rules and regulations of the Gauhati University. For the academic session 2023-24, GU has introduced NEP 2020 at undergraduate level. The subjects available in the College under FYUGP are mentioned below.

- Stream Specific :**
- 1) Bachelor of Arts (B.A.): (Provincialised)
 - 2) Bachelor of Science (B.Sc.): (Provincialised)
 - 3) Bachelor of Commerce (B.Com.): (Self-financing)

- Discipline specific :**
- 1) Bachelor of Vocation (B.Voc.): (Self-financing)

Subjects offered in the FYUGP programmes are mentioned below. Before going to the programmes offered at this College, one should have some idea about what FYUGP is and how the credits are allotted. They should also have some idea about the core subjects, major, minor, multidisciplinary, value added and ability enhancement courses that can be opted for the selected course of study.

A Summary of GU-FYUGP (w.e.f. August 2023)

What is GU-FYUGP?

The Four-Year Undergraduate Programme (FYUGP) at Gauhati University has been implemented in accordance with the UGC's Curriculum Framework and in accordance with the decisions made at the VC's Meeting in November 2022. It is a 4-year degree curriculum under NEP's FYUGP. Three withdrawal options are available from the FYUGP: after one year, after two years and after three years. After completing the training for a year, students receive a certificate. A diploma is awarded to students who leave after two years. A bachelor's degree is earned if a student graduates after three years. And eventually, after completing all four years, students receive a Bachelor's degree with honours.

When you leave the programme, the doors are still open for you to re-enter it and continue your education from where you left off. However, the programme must be completed within seven years.

Honours and Major

A bachelor's degree with a major can be earned at FYUGP after three years and one with a major and honours after four years.

Progression

A student can apply for admission to the first year of a Master's course, a 2-year degree programme, if they leave the FYUGP after three years. But if a student successfully completes a four-year degree with honours under FYUGP, she or he can apply for admission to the second year of a Master's course and only need to finish one year to earn a Master's Degree.

Progression to Doctoral Program

After three years in the Bachelor's course or after completing FYUGP, students who enrol in a Master's programme are eligible to enrol in a doctoral programme leading to PhD. However, if a student is very talented, they may forgo the Master's programme and apply for admission directly into a Doctoral programme after completing the FYUGP. The following figure indicates the progression under FYUGP.

How different are the courses?

A student has the option of studying multiple subjects by choosing and switching between them. A course under the FYUGP essentially consists of two components: (a) Core Courses and (b) Common Courses. As the name implies, several core courses are studied by different students, while the common courses are taken by all students. A quick summary of each segment of the programme is provided below.

First Year (Semester I & II)

Two different core subjects are studied in the first year, by designating one of the basic courses as a Major course and another as Minor course or Minor-1 and Minor-2 (in case of students studying Minors only) and one paper assigned for each subject per semester. In addition, one must study a variety of common courses that the university has created in accordance with the UGC's Curriculum Framework.

Second Year (Semester III & IV)

Semester III

In the third semester a student will continue to study the core subjects that were previously selected in the first year as well as some additional common subjects. The program's framework will not change from the first and second semesters.

1. Major subjects can be changed in the second semester
2. Minor to Major change for students studying Minor only will be allowed in the second semester

Semester IV

From Semester IV onwards, a student will mainly study the Major subject by taking at least four papers, some of which may be elective depending on the concerned subject. Students studying Minor only will continue with their Minor courses.

Third Year

One will continue to study the Major subject in the third year in order to finish the entire set of 15 Major papers. Students studying Minor only will continue with their Minor courses to complete 10 or 11 courses from both Minor-1 and Minor-2.

Fourth Year

In order to move to the fourth year, one must devote time to studying advanced courses that are on par with the first Master's degree papers. Additionally, one will have the chance to collaborate on research projects with the college faculty members.

Besides the above, there are some more unique features of the FYUGP. They are:

Free Credits

From fourth to sixth semester, one will have time for 4 optional open core credits per semester, which one can utilize to study either Major or Minor. They can be useful if one has changed a Minor subject in between.

Double Major

By the time one has completed 3/4 years of study, a student who is willing to put in a little extra effort can convert one of the Minors into a second Major by taking additional online courses (from a designated source only) relating to the Minors. This is over and above the first Major. One would then possess a bachelor's degree with two majors.

Multiple entries and exits

During the FYUGP a student may leave after any year. A student may graduate with a certificate, diploma, or degree, depending on their exit level.

If a student withdraws from the programme after the first year, provided that they have completed all required courses, they will be able to receive a certificate. Similar to that, if the student is still studying after two years and has completed all of the required courses, they will receive a diploma. He or she will eventually graduate with a bachelor's degree after three years.

However, it should be noted that a student who graduates from the FYUGP after the third year with a bachelor's degree would not be able to reapply for admission to the programme for the fourth year. Instead, she/he must apply for admission to a Master's program's first year. Any student who is enrolled in the FYUGP's third year may continue on to the fourth year. He or she receives either a Bachelor's Degree with Honours or a Bachelor's Degree with Honours and Research after successfully completing the fourth year.

*Every student who wishes to withdraw from the programme before three years have passed through the programme **MUST** finish an additional 4-credit vocational course.*

Core Courses

The final degree, diploma, or certificate a student will receive at the end of third (or fourth) year, second year, or first year, respectively is determined by their Core Courses. The mark a student receives on their final exams will also be based on their performance in the Core Courses. For the Core Courses, the minimum credit requirement is 84, or 21 courses (papers) with a credit allocation of 4 for each paper per course. For students studying only Minor the minimum credit requirement is 84, or 10 or 11 courses (papers) for both Minor-1 and Minor-2 with a credit allocation of 4 for each paper per course. At least two Core subjects must be studied by a student.

For both types of degrees, the Core Courses must be selected from a wide range of available disciplines. The Core Courses for a Bachelor's Degree in a Stream are Major and/or Minors, however there are no Majors and Minors for a Bachelor's Degree in a Discipline.

Majors and Minors

For a Bachelor's degree in a certain stream, a student either selects a Major and Minor from among the options, or just Minors. In any case, by the third year, a student must have finished 21 courses, or 84 credits. A Minor course should have a minimum of 24 credits, whereas a Major course must have a minimum of 60 credits. For students studying only Minor, by the third year, he or she must have completed 10 or 11 courses of both Minor-1 and Minor-2 which comes up to a minimum of 84 credits.

One major and one minor make up the Core Course for the vast majority of students.

Common Courses

All students must take the common courses, which together have a total credit value of 32 over a three-year period. These courses are further divided into the following five (5) subcategories.

Multidisciplinary Course

These three-credit courses cover five subject areas:

- i. Natural and Physical sciences,
- ii. Mathematics, Statistics, and Computer Applications,
- iii. Library, Information Media Sciences,
- iv. Commerce and management, and
- v. Humanities and Social Sciences.

If a student took a multidisciplinary course in Class XI-XII, they CANNOT pick that subject again. Additionally, the subject of these courses MUST NOT be one of the student's already selected Core Subjects.

Ability Enhancement Courses (AEC)

This 8-credit course will cover both English Communication and Modern Indian Languages (MIL). Each student is required to complete two papers worth four credits each, one from the collection of English Usage and one from MIL, especially designed for this purpose. These classes are required to be attended between Semesters 1 and 2.

Skill Enhancement Courses (SEC)

There are various skill courses with a total credit allocation of 9. All students need to complete three skill courses, each with 3 credits during Semesters 1-3

Value-added Courses (VAC)

There are four subgroups of courses-

- i. Understanding India,
- ii. Environmental Science,
- iii. Digital and Technological Solutions, and
- iv. Health & Wellness, Yoga Education, Sports, and Fitness

Students must complete a total of 6 credits in each of Semesters 1, 2, and 3. In each semester, they are required to select any three courses, each worth 2 credits, from three of the four available groups (2 credits × 3 courses = 6 credits).

Special rule: Unless a student is already enrolled in an environmental science core course, they must choose at least one paper from the environmental science group.

Internships

Every student is required to do an internship for 4 credits. Students must complete Internship during the summer break between the 4th and 5th semesters. The credits for this internship will be added to the 5th semester. If a student misses this internship during the 4th–5th semester break, they must complete it after the 6th semester (during the summer break after the 6th semester). In such cases, the student's 5th semester results will be marked as **Incomplete** until the internship is completed.

Fourth Year

Since a student can enrol straight in the second year of a Master's programme after successfully completing the FYUGP, the fourth year of the FYUGP is equivalent to the first year of a Master's course. A student must

complete one required paper on Research Methodology (REM), a 4-credit theoretical paper, in the seventh semester of their fourth year. Advanced Core Courses and a Dissertation will make up the remaining credits.

Degrees and Course Structure

Under FYUGP, there are two types of Bachelor’s Degree that can be earned by the students after successful completion of the programme-

- i) Bachelor’s Degree in a Stream and
- ii) Bachelor’s Degree in a Discipline.

Degree in Stream (Arts, Science, Commerce and Management)

The three different options which a student can choose to complete a 3-year programme under FYUGP is diagrammatically represented below

- Degree with Major and Minors: A student can choose one Major course which consists of 15 courses and one Minor which consists of 6 courses along with common courses and an internship
- Degree with Minor only: A student can choose two Minor courses (Minor-1 & Minor-2) which both consist of 10/11 courses along with common courses and an internship.

Degree in a Discipline

FYUGP offers ‘Degree in Discipline’ in a number of subjects including vocational courses.

Bachelor’s in Vocation

The college offers the following vocational subject offering Bachelor’s Degree in Discipline (Vocation).

1. Entertainment (Acting)
2. Retail Management
3. Tourism and Hospitality.

Salient Features

It has the same FYUGP structure i.e. Core Courses with a minimum of 84 credits, Common Courses with a minimum of 32 credits and an internship of 4 credits (in a 3-year programme). It has no Majors or Minors. Students study certain pre-defined courses designed for the respective discipline.

FYUGP and FYIMP Review & Proposed new structure: Jan 2025

Based on the discussions and recommendations made during the Review Committee Meetings held on 31st December 2024 and 10th January 2025, the following recommendations have been made:

To be implemented from 2025 Newly admitted FYUGP and FYIMP

Semester-1			Semester-2		
Type	Course	Credit	Type	Course	Credit
Major-1	4	Major	Major-2	4	
Minor-1	4	Minor	Minor-2	4	
SEC	SEC-1 (Major oriented)*	3	SEC	SEC-2 (Major oriented)*	3
AEC	AEC-1 (Languages/Alt. English)	4	AEC	AEC-2 (English Communication)	4
MDC	MDC-1	3	MDC	MDC-2	3
VAC	VAC-1	2	VAC	VAC-2	2
		20			20

I ❤️ JAGIROAD COLLEGE

MAJOR CHANGE to be allowed after 2nd Semester, Changed Major to be started from the Day-1 of Third Semester

Semester-3			Semester-4		
Type	Course	Credit	Type	Course	Credit
Major	Major-3	4	Major	Major-5	4
	Major-4	4		Minor-6	4
Minor	Minor-3	3		Minor-7	4

MDC	MDC-3	3	Minor	Minor-4	4
VAC	VAC-3	2			
		20			20

· Summer Break in between 4th and 5th Semester: Internship 4 (Credit added to 5th Semester)

· Those who miss the internship in 4th -5th Summer Break, shall do the internship after the 6th Semester (during 6th Semester Summer Break). In such cases the 5th Semester results shall not be COMPLETE.

Semester-5			Semester-6		
Type	Course	Credit	Type	Course	Credit
Major	Major-9	4	Major	Major-12	4
	Major-10	4		Minor-13	4
	Major-11	4		Minor-14	4
Minor	Minor-5	4		Minor-15	4
Internship	Internship	4	Minor	Minor-6	4
		20			20

*SEC-1 and SEC-2 Should be Major-oriented/to supplement the Major. Choice based credit system (CCS) will prescribe a Bucket of SECs against each Major, so that Hands-on and other Practices/Knowledge required to be skilled in Major Subject could be acquired by the students. The Bucket could be drawn from the existing SEC list and also new SECs acquired could be included. Faculty-wise Bucket could be prescribed so that the number of SECs in a semester could be minimized.

#SEC is Open SEC. Any skill that the students require to be Skilful in their professional/established life. Students may choose from one from the available Skill Courses in the College for that Semester.

Serial	Type	Credit

FYUGP Programme details are mentioned below:

Jagiroad College under FYUGP will offer two types of Bachelor’s degree to the students after successfully completing the program-

1. Bachelor’s Degree in stream
2. Bachelor’s degree in discipline

Bachelor’s Degree in stream will include Arts, Science and Commerce. Students can choose to mix the subjects for the Major and Minors subject to prerequisites and other stipulated requirements and conditions.

While Bachelor’s degree in discipline will include vocational courses like

- i. Entertainment (Acting) (ACT),
- ii. Retail Management (RTM) and
- iii. Tourism and Hospitality Management (THM)

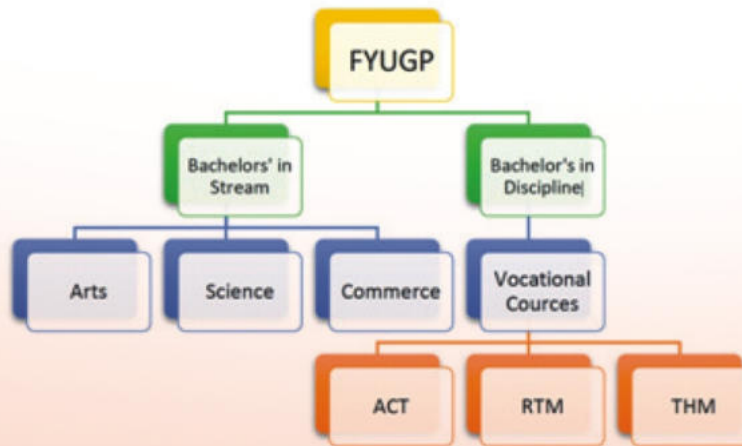

Fig 1: FYUGP Programme in Jagiroad College

Course-wise, for both types of degree programmes, the entire FYUGP is split into two categories: (i) Core Courses and (ii) Common Courses. Core courses are different for Arts, Science and Commerce. However common courses have to be studied by students from all streams.

Course Structure under NEP (Bachelor’s Degree in Stream) with Major and Minor

	Core Course			Common Course		
Year1	Major	Minor	VAC	MDC	SEC	AEC
SEM1	Major-1/Cr-4	Minor-1/Cr-4	VAC-1/Cr-2	MDC-1/Cr-3	SEC-1/Cr-3	AEC-1/Cr-4
SEM2	Major-2/Cr-4	Minor-2/Cr-4	VAC-2/Cr-2	MDC-2/Cr-3	SEC-2/Cr-3	AEC-2/Cr-4

Bachelor's degree in discipline(B. Voc. Programme)

UGC sponsored Three Year (6 Semesters) Vocational Degree Programme

This college has started B.Voc. programmes in three non-conventional subjects under UGC's B.Voc. scheme. Later it is included in NEP-2020 as a Bachelor's degree in discipline (B.Voc. Programme)

B.Voc. Programmes are (i) Entertainment (Acting) (ACT), (ii) Retail Management (RTM) and (iii) Tourism and Hospitality Management (THM). All these are skill enhancing, job market specific and employment/ entrepreneurship centric subjects.

A student of the B.Voc. programme needs to select core and common courses like Bachelor's degree in stream. The syllabi of the programmes focus on raising employability of graduates and meeting the industry requirements for ready-to-work students through skill development and thereby providing specialization in relevant fields. The B.Voc. programme has the option of multiple exit and entry system in one year, two year, and three year.

Key highlights of B.Voc. Degree Programmes:

1. B.Voc. (Under GU. in regular mode) degree is equivalent to other degrees like B.A., B.Com. B.Sc. etc.
2. After completion, students will be awarded internationally valid certificates from respective Sector Skill Councils (SSC) i.e. RASCI, MESC and THSC along with the Degree from Gauhati University.
3. The Courses have developed under National Skill Development Corporation (NSDC), New Delhi.
4. Course contents of the syllabi contain practical work and have been designed consulting industry experts.
5. Evaluation of the students are done by concerned sector skill council/industry experts/GU.
6. Fully equipped smart classrooms and digital studio with all modern facilities available.
7. Faculties are having industry experiences.
8. Field studies and on the job Training (OJT) at the end of each semester with a view to provide the students industry exposure and to make them employable.
9. Career support is provided through effective industry interaction, career seminar, creative workshop, Group Discussion, Mock interviews etc.
10. Candidates may exit after successful completion of either Diploma or Advanced diploma. They may also re-join the course at any time for an advanced diploma/degree.

SCOPE

Retail industry is the second largest employment generating sector after agriculture whereas the Media & Entertainment industry is in the third position. Retail and Media & Entertainment are two of the fastest growing industries in the world. In North-East India both the sectors are growing as rapidly as anywhere in the world. There is therefore a growing need for skilled personnel and professionals to meet the demand. Tourism Industries are an age-old system world-wide with ample scope of employment in other related services.

After successful completion of three-year B.Voc., Acting students can work in different sectors relating to Media & Entertainment such as films, T.V, theatre, mobile theatre, radio, advertisements, animation etc. as film, television, theatre actors, radio artistes, Voice over artists, dubbing artists, production, etc.

At the end of three-year B.Voc., Retail Management students will be able to work in different profiles as Team member, Team leader, Cashier, Warehouse executive, MIS executive, Store Manager, Floor Manager, Visual Merchandiser, Assistant Department Manager, Department Manager, etc.

On successful completion of the B.Voc., Tourism and Hospitality Management students can secure jobs as a Front office Manager, Food and Beverage Manager, Resort Manager, Restaurant Manager, Event Supervisor, Airline/Cruise Consultant, Hotel Operation and Entrepreneur etc.

Eligibility Criteria for admission in B.Voc. Programmes

- The eligibility for admission is 10+2 or equivalent, in any streams (Arts/Science/Commerce/Vocation) from any recognized board or university.
- Graduate students of any stream are also eligible for this course.
- There is no age limit for admission to the above B.Voc. Programmes

Memorandum of Understanding/Association (MoU/MoA)s

The college has signed a number of MoU / MoAs with different organizations for OJT, placements and technical guidance.

1. Shoppers Stop (Guwahati)
2. Vishal Mega Mart (Nagaon)
3. Airplaza Retail Holdings Pvt. Ltd., Nagaon
4. Indian Institute of Entrepreneurship (Guwahati)
5. Mahindra Finance Pvt. Ltd. (Guwahati)
6. Pride East Entertainment Pvt. Ltd. (News Live, Rang, Ramdhenu)
7. Rengoni TV Channel Pvt. Ltd., Guwahati
8. Dr.Bhupen Hazarika Regional Govt. Film and Television Institute, Guwahati
9. Aarohan- Dr.Bhabendra Nath Saikia Children Welfare Trust, Guwahati
10. Eye Creation, Guwahati
11. Rudrakshi Production, Guwahati
12. Team Indipity Production
13. Creative Nine Productions, Guwahati.
14. THIRD THEATRE a socio-cultural organization
15. Ramdhenu Mini Theatre

16. Panacea – The Village (Resort)
17. Royal Global University, Guwahati
18. Sonapur College, Sonapur, Kamrup
19. Raha College, Raha, Nagaon
20. Dimoria College, Khetri, Kamrup (M)
21. Educative, Guwahati
22. PWR Bio Unit, Changsari, Guwahati
23. SitaJakhalaDugdhaUtpadakSamabai Samiti Ltd., Amlighat, Morigaon
24. Susrusha Life Cure Polyclinic, Jagiroad
25. Dubori Homestay, Kahilipara, Guwahati
26. Haji Anfor Ali College, Doboka
27. Arya Vidyapeeth (Autonomous), Guwahati
28. Downtown University, Guwahati

Placements and Professional engagements through Acting Department

Students passing out from the Department of Acting are variously engaged. Two alumni are working as directors cum actors at Spandan TV Channel. Two alumni are working as theatre artists. Two are engaged in the film industry and one is working in Rengoni.

Progression to Higher Education

Two alumni are pursuing Masters in Performing Arts from Mahapurusha Srimanta Sankaradeva Viswavidyalaya, Guwahati campus.

Placements and Professional engagements through Retail Management Department

Four alumni from the Department of Retail Management have started their own business as entrepreneurs. Three are engaged as Sales Executives and two are fashion consultants in leading stores and outlets like Centro and Shoppers Stop. One has joined as 4th Grade staff in Assam Government Service.

Progression to higher education

Five students are pursuing higher studies in different management institutes like Girijananda Institute of Management and USTM.

Placements and Professional engagements through Tourism and Hospitality Management Department

Four students of the Department of Tourism and Hospitality Management are currently placed in different schools as vocational teachers.

Progression to higher education from Arts, Science and Commerce streams

About eighty three alumni of the Arts Stream of the college are currently pursuing higher education programmes like Master of Arts (MA), Bachelor of Education (B.Ed), Diploma in Elementary Education (D.El.Ed.) and Master of Business Administration (MBA) in different institutes and universities including Gauhati University, Cotton University, Mahapurusha Srimanta Sankaradeva Viswavidyalaya, Birangana Sati Sadhini Rajyik

PROSPECTUS 2025-2026

Vishwavidyalaya, Royal Global University, University of Science and Technology Meghalaya, Pandu College, Arya College, Nagaon College, Sonapur College, Dimoria College, Krishna Kanta Handiqui State Open University and Indira Gandhi National Open University. Fourteen students of the science stream are pursuing masters program in different institutes and universities like IIT Bombay, Tripura University, Assam University, Gauhati University, Cotton University, Royal Global University, USTM, IGNOU.

Placement and Professional engagements from Arts, Science and Commerce streams

Forty seven alumni of the Arts Stream of the college have been gainfully employed in recent times. Of them, seven have joined the government sector with one being appointed as Assistant Accounts Officer (AAO) under Assam Public Service Commission, two in Assam Police, one in clerical position after passing Assam Direct Recruitment Examination and four being appointed as fourth grade employees in various government offices. Many are also absorbed in the private sector with about fourteen alumni working as teachers in private institutes, two working in the nursing field, two undergoing training for employment in the TATA semiconductor industry and another being appointed as ground staff for Air India. Further, about six alumni from the stream are working as sales managers, five are running their own businesses and many more are engaged in other private sector employments.

Students from the Science stream have taken up roles such as Constable/GD in the Central Industrial Security Force (CISF) and teaching positions in reputed institutions such as Gauhati University and Cotton University. Commerce graduates are working in organizations like Star Cement Limited, Guwahati, and Style Bazar, Jagiroad..

Programme Category-III Post Graduate (Self-financing): (Affiliated to Gauhati University)

The College has been offering post graduate programmes in two subjects. These are (1) Master in Tourism Management (MTM) and (2) Post Graduate Diploma in Computer Applications (PGDCA). The MTM is a two-year (four semesters) Master Degree programme and PGDCA is a one-year (two semesters) programme. Students who have completed their graduation or appeared for the final exam, they can apply to get admission to these programmes. Both are professionally effective and employable programmes and students already passed out from these courses have got their employment in various departments/ institutes/ organizations.

Programmes under Distance Learning (from three Universities)

The programmes under distance learning mode through the GUCDOE (formerly known as GU-IDOL), KKHSOU and IGNOU are approved by the concerned Universities and they are running under their strict guidelines.

- IGNOU (UG and PG programmes)
- GUCDOE (formerly known as GU-IDOL)
- KKHSOU (PG and UG programmes)

BRIEF DETAILS ABOUT DISTANCE EDUCATION COURSES:

- **INDIRA GANDHI NATIONAL OPEN UNIVERSITY (IGNOU) STUDY CENTRE**

The IGNOU Study Centre (SC 0435) of Jagiroad College has opened the horizon of distance learning for the students, staff and people of adjoining areas of the College. Detailed information regarding programmes and

course structure, fee, design, credits, components, assignments, evaluation, and assessment etc. are available in the IGNOU website (www.ignou.ac.in). The IGNOU gives wide publicity of its admission schedules in all major national and regional newspapers at regular intervals. Admission can be taken twice in a year- January Cycle and July Cycle. Forms and Prospectus of IGNOU are available in the IGNOU www.ignou.ac.in.

For Admission and other Programme related Queries Contact:

Dr. Chitta Ranjan Sarkar, Coordinator (Mobile No: 9435319142)

● **INSTITUTE OF DISTANCE AND OPEN LEARNING GUCDOE** (formerly known as GU-IDOL)

With the objective to provide an opportunity of learning to many students who could not pursue their desired higher education through conventional mode of education, the college has started the study cum exam. Centre at the college from the academic session 2012-2013 under the Gauhati University Institute of Distance and Open Learning which is now renamed as Gauhati University Centre for Distance and Online Education (GUCDOE) w.e.f. 2023-2024. Jagiroad college study centre, starting with 41 no. of students has completed eleven consecutive years with a good academic environment and result. The centre at present offers Master degree programmes for subjects like Assamese, English, Political Science, Education, M.Com., M.Sc. IT under the authority and control of the GUCDOE. GUCDOE has its own website which gives adequate information about the courses.

For Admission and other Programme related Queries Contact:

Dr. R. K. Das (Physics), Coordinator (Mobile No: 9435319469)

● **KRISHNA KANTA HANDIQUI STATE OPEN UNIVERSITY**

The Krishna Kanta Handique State Open University (KKHSOU) has also set up a study cum exam centre of the University at Jagiroad College. The Centre has been functioning from 2014-15 sessions. The centre offers 2-year P.G. programmes on the Assamese, English, Economics, Education, Political Science and Commerce (M.Com.). The centre also offers 4-year UG programs as per NEP-2020.

Admissions are open twice a year in the months of January-February and July-August. Admission details are available at www.kkhsou.ac.in

For Admission and other Programme related Queries Contact:

1. **Mr. Himangshu Haloi** (Political Science), Coordinator (Mobile No: 9954770208)

2. **Mr. Jagannath Deka**, Office Assistant (Mobile No.: 8638399897)

Admission Policy and Procedure for 2025-2026 session

As decided and declared by the Assam Government on 07/06/2020, all the fresh admissions will be held through online mode only. No offline forms will be issued from the office to the candidates.

On filling the online admission forms, the merit list for each class will be notified stream-wise by the college through the college portal. Students who intend to take admission into HS First Year and UG/PG 1st Semester are required to fill up their online admission forms through DARPAN and SAMARTH portal respectively. The students will be able to submit their applications online for admission into HS First Year by visiting www.darpan.ahseconline.in or www.ahsec.assam.gov.in and for admission into UG/PG 1st Semester by visiting www.assamadmission.samarth.ac.in. The concerned students are advised to go through the given guidelines/SOP, important dates in detail for compliance and smooth conduct of the admission process. Merit list for each class will be notified stream-wise in the portals. Admission committee, comprising of a group of experienced teachers, will coordinate and ensure the smooth conduct of the process under the direct guidance of the College

PROSPECTUS 2025-2026

Principal. The decision of the College authority would be final in this regard. For any wrong or misleading information given in the form, the admission will be liable to be cancelled.

Candidates seeking admission must submit scanned copies of the following documents and are compulsorily required to produce the original documents for verification if required by the College Admission Committee. The documents to be uploaded online are-

- a) *Scanned copy of the Mark sheets of the last qualifying examination.
- b) *Caste Certificate (if applicable)
- c) *Scanned copy of own Signature, self-signed Passport size Photograph
- d) *Bank Account details like Account Number, Bank Name, Branch Name, IFSC Code
- e) Certificates of the qualifying examination.
- f) Age Proof Certificate (admit card)
- g) Contact number of self, father, mother (at least one valid contact number must be mentioned)
- h) Registration and Migration Certificate (wherever applicable)
- i) Anti-Ragging Affidavit (to be filled online at www.antiragging.in and submit the downloaded copy along with admission form)

Important Points:

- a) Students who have discontinued their studies after passing the qualifying examination will have to produce a “Gap Certificate” issued by the Head of the Institution last attended. The certificate has to mention the activities of the students during the period of gap.
- b) Applicants for admission who have passed their last examination from a recognized Board of Education or University other than the Secondary Board of Assam (SEBA), Assam Higher Secondary Education Council (AHSEC) or Gauhati University, they will be required to submit their Migration Certificate (in Original) as and when intimated by the college office. Failure in doing so may lead to the cancellation of the admission without any prior notice. Migration from Jagiroad College is usually allowed only after the completion of the First Year of their respective programme in regular mode and after declaration of result of examinations.

ADMISSION NOTICE – HS-I & UG SEMESTER I CLASSES (2025–2026)

Eligible candidates are invited to apply for admission into Higher Secondary First Year (HS-I) and Undergraduate (UG) Semester-I courses for the academic session 2025–2026.

Higher Secondary (HS-I) Admission:

- Streams Offered: Arts, Science, Commerce
- Mode of Application: Online
- Portal: <https://studentcorner.darpan.ahseconline.in/login>
- Eligibility: Students who have passed HSLC or equivalent examination from a recognized board.

Undergraduate (UG) Semester-I Admission:

- Programs Offered: B.A., B.Sc., B.Com., B.Voc.
- Mode of Application: Online
- Portal: <https://assamadmission.samarth.ac.in>
- Eligibility: Students who have passed Higher Secondary (10+2) or equivalent examination in relevant streams.

Important Instructions:

- Candidates must apply through the respective portals mentioned above.
- Merit lists and further admission instructions will be made available on the college website.
- Ensure timely submission of applications before the last date.
- Original documents will be verified during physical reporting at the college.

For detailed guidelines, important dates, and updates, please visit the college website: [\[https://www.jagiroadcollege.co.in/\]](https://www.jagiroadcollege.co.in/)

Seat Capacity and Procedure of Selection

Classes	Qualification	Intake Capacity	Other Criteria
H.S.-I (Arts)	HSLC or equivalent	250	40% in class X examination
H.S.-I(Commerce)	HSLC or equivalent	60	40% in class X examination
H.S.-I (Science)	HSLC or equivalent	80	50 % marks in Maths & Science
B.A. Semester-I	10+2(Arts/Science/ Commerce)		40% in XII exam
B.Sc. Semester-I	10+2 (Science)		45% in XII Science
B.Com. Semester-I	10+2(Arts/Science/ Commerce)	120	45% in XII exam
Entertainment (Acting)	10+2 (Any Stream)	50	Class XII passed
PGDCA	Graduate in any Discipline	50	40% in Graduation

Important :

- While filling an online form for the UG programme, a student can get three choices for Honours subjects based on their preferences. Final selection of Honours Subjects will be decided by the respective departments.
- In case there are more no. of applications received for Honours subjects than the capacity of the respective departments, screening tests may be arranged by the concerned departments.
- Reservations of seats are to be followed as per the Assam Govt. reservation norms only.

College Uniform

It is imperative and compulsory for all enrolled students to wear the College uniform.

- For Boys: Cream Coloured Shirt and Steel Grey Trouser
- For Girls: Cream Coloured Mekhela Chadar with Grey border/cream coloured Churiders (Salwar) and Kurta with grey Churni
- For Boys Acting, RM and THM : White Shirt and Grey Trouser
- For Girls Acting, RM and THM : White Top and Grey Trouser
- For Boys MTM and PGDCA : White Shirt and Black Trouser
- For Girls MTM and PGDCA : White Top and Black Trouser

Internal Quality Assurance Cell (IQAC)

The internal quality assurance cell (IQAC) is an internal body of a higher educational institution to maintain a quality culture within the college. This cell acts with a plan of action for performance evaluation, assessment and accreditation and quality up-gradation. According to the National Assessment and Accreditation Council (NAAC), Bangalore, it is mandatory that all high educational institutes should have a functional IQAC. Quality enhancement in a college is a continuous process and so, this cell becomes a part of the institution's functioning system and works towards fulfilling the objectives of the institution and achieving the goals. It disseminates its responsibilities through the formations of different cells. With the help of all stakeholders IQAC performs different activities towards teaching- learning and evaluation, skill orientation, and career orientation of students. It takes necessary action to expose the students to modern ICT based knowledge, organizes popular lectures by academicians from advanced institutions, lectures for career guidance, skill learning etc. It encourages innovative changes, encourages different training programmes to build up competence, augments a learner centric environment for quality education. Moreover, IQAC also organizes workshops, seminars for academic advancement of the faculty members, stimulates the academic environment for promotion of quality of teaching- learning and research in higher education, undertake quality-related research studies and initiate faculty exchange programmes. The career guidance and placement cell organize the career counseling sessions in the campus and take care of the placement, internship and On-Job Training (OJT) of students. In collaboration with all stakeholders including alumni of the institution, IQAC do work for the quality promotion and sustenance. It adapts a system of continuous documentation to create a database, prepares the Annual Quality Assurance Report (AQAR) of the institution and takes care of its timely submission to NAAC.

Jagiroad College has a functional IQAC with a permanent office room and continuously doing its activities for the all-round development of students and the institution.

Teaching - Learning and Evaluation

Jagiroad College has imprinted a role for itself through evolution and continuous up-gradation of its teaching-learning standards by setting and developing its own benchmarks. The fairness, transparency and qualitative edge of its teaching-learning ambience have been sustained through the College's endeavor to recruit teachers having sound academic background, good potential and enthusiasm by the College authority since its inception. The quality of its teachers can be gauged from the relatively younger average age of incumbents, diverse socio-economic and cultural backgrounds, wide array of specializations, gender parity, readiness and acceptance of innovative teaching-learning mechanisms, diverse research interests and studies, empathy for students belonging to socio-economically marginalized and disadvantaged communities, promotion of social and cultural harmony, close contact with alumni, community orientation and an urge to accept fresh challenges and transcend boundaries in pedagogic practices and orientations. The NAAC's assessment and accreditation report amply highlighted this cardinal aspect of Jagiroad College. The experience, knowledge and skills of the teaching staff have together erected a foundation for undertaking experiments and sustained application of the best of the "traditional" and indigenous" teaching-learning mechanism and ICT based newer mechanisms. Jagiroad College has been especially successful in constantly building up a reputation for its transparent, unbiased, fair and continuous assessment and evaluation mechanisms. It strictly adheres to all the relevant examination rules and regulations of the Assam Higher Secondary Education Council and Gauhati University. The annual examination of Higher Secondary First Year is conducted strictly in accordance with the rules of the AHSEC. Examination evaluation related grievances have been handled carefully in direct consultation with the university examination branch. All students get a fair deal here in this college during their tenure of studentship.

Research

The teaching staff of the College are actively engaged in varied research studies in a wide array of areas of Humanities, Social Sciences, Physical Sciences, Mathematics, Biological Sciences under various departments of studies of Gauhati University, Assam University, NEHU, Dibrugarh University and IITG and number of them have already been awarded M.Phil and Ph.D. degrees. A number of teachers are also actively involved in research activities under UGC, ICSSR and DST grants (both minor and major research projects). The College constituted a research committee with its experienced faculties to foster the culture of research in the institution.

Student Support and Progression

Career Guidance, Counselling and Placements

The counselling of students' have traditionally been a part of teaching-learning mechanism and practices of the College. Most of the teachers offer and are adept in close and intimate counselling on academic and career related matters especially to students enrolled in Honours/Major Courses and Skill Oriented Programmes. The College has an Information, Career Guidance and Counselling Cell (ICGCC) through which the students have been given guidance at regular intervals. Though the college at present does not have a formal structure of a separate Placement Cell, the ICGCC has in the past organised several placement workshops, interactive sessions with some farms and agencies of both the state and outside it.

Prime Duty of Newcomers

Teachers and students are the two main stakeholders in the college. Apart from teaching-learning activities in the classroom they must do many other activities in and out of the college for uplifting the rank of the institution. So, the role of students who are going to be a part of this higher educational Institution (HEI) from the current

academic session is an important factor to determine the status of the institution within the state and in the National scenario. After the implementation of a ranking system among the HEIs all over India, primarily by NAAC (an independent body formed by UGC in 1994) and secondarily by the organizations like NIRF, MDRA, ISO etc., all HEIs must pay attention to the quality of work done. Quality assurance is a continuous process to achieve academic excellence. It is a collective effort. Every stakeholder must develop a dynamic attitude, systematic approach, and a competitive mind for this. To perform better in this competitive role of the student community is very much crucial, because they constitute the largest group among other stakeholders. So, apart from attending the regular classes (75% attendance is mandatory), they must take the benefit of the good library in the college, can participate in NSS, NCC, sports, cultural activity, activities under UBA, Students Science forum, Environment Club, Geographical Society, Commerce forum, Literary forum or other internal forums depending on their interest. College life is the best time to showcase your talents. Jagiroad College always encourages students to expose their talent and welcome any innovative thoughts. IQAC in the college is always with all stakeholders.

Scholarships and Awards

- ST, SC, OBC, Minority and National Merit Scholarship for such category of students are offered by Govt. of Assam on submission of application in prescribed online formats. A good number of students have already availed Ishan Uday scholarship initiated by the GoI since the 2016-17 sessions.
- Awards are offered to meritorious students topping the HS and TDC students, from the authority.
- Best Graduate Award is offered to the students on the basis of his/her all round performance (Examination and co-curricular activities).
- There is provision to support the meritorious and economically backward students with financial assistance, books, uniform etc. Arrangement for scholarship (both from Government and Non- Government organizations) are also provided by the College authority. Study loans for needy students may also be arranged subject to clearance of bank formalities.

Infrastructure and CCA Facilities

● Class Room Blocks and Buildings

Jagiroad College offers adequate and updated infrastructure for all internal stakeholders. The College has nine blocks for students, academic activities including office and library works. These are i) Kapili Block, ii) Kolong Block, iii) Killing Block, iv) Baliram Das Block (BDB), v) Nandalal Upadhyaya Block (NLU), vi) Pabitora Block (PTB), vii) Sonaikuchi block, viii) Library Block and ix) Dr.S.S.Block. Killing block is being renovated under the RUSA fund with more classrooms and added facilities. All these block houses faculties are of Arts, Science, Commerce, Vocational and Post Graduate programmes. The Distance Learning Study Centers of three Universities are also located in these blocks. Two well-furnished seminar halls, one studio on performing art (acting), one Sound Recording Studio, Gymnasium Hall, NCC, NSS rooms are accommodated in this campus. A new girl's hostel is added to the existing hostel to improve intake capacity. The College also has a laboratory for the Pulp and Paper Technology and Fashion Technology constructed under the Community College Scheme. New constructions are also going on to accommodate more and more programmes with all possible modern facilities required for academic activities in near future. A well-furnished canteen is also there in the campus. A foot bridge is also under construction to improve connectivity between the newly constructed Kolong block and the Digital Library building. Two science laboratories are also under operation in DBT scheme to facilitate practical learning between the science students belonging to physics and biological sciences.

A center for Yoga is being run in the digital library building for awarding, performing and enhancing Indian traditional culture of yoga for better physical and mental health. A new college gate is being constructed to improve the security of the institution.

- ***The Central library***

The Central Library houses a spacious reading hall and reading rooms for teachers and Major Course students. It has a rich collection of books including journals and magazines, CDs etc. Books are being regularly purchased on recommendation of the faculty members. Computerizations of its services are well under way. The library has recently undergone some renovation works to ensure a cozy environment for its users. Following necessary renovation works, the Library now provides separate sitting arrangements for the boys and the girls. With sophisticated furnishings, the Library also has provision of a reading room for the faculties, a circulation section and a separate periodical section.

Internet Connectivity is provided with 10 numbers of Computers connected through N-Computing and placed just behind the main entrance gate for easy accessibility by the students and other staff. Reprographic facility is also provided in the same location.

- ***Book Bank Scheme of College Library***

The College Library has introduced the Book Bank facility (for H.S. and undergraduate level students) as one of the students' support measures. The Book Bank lends textbooks and reference books to the especially meritorious students and to those coming from the economically backward families. The facility has been further developed with enrichment through donated books from the internal stakeholders of the college (teachers, members of the non-teaching staff and the students). Willing students may contact the Librarian for necessary details.

- ***Computer Centre***

The College has two sophisticated computer Labs (including a computer Center as Language Lab) with 46 computers for running the PGDCA, Degree level Vocational course and other short-term courses for students. All the Laboratories are configured by two online UPS. Laboratory wise Windows XP, Windows7, Windows 10 and Ubuntu Operating System have been installed in the computers. The Government of Assam has given the scheme-ICT @ College through AMTRON as a result the college established a Computer Laboratory with 20 computers all at the cost of the Government.

- ***Ethnic Museum***

A unique ethnic museum is being developed by the teachers at the college and it is located on the first floor of the Central Library. A new museum building is under construction in front of the central library from Tiwa Autonomous Council Grant

- ***Departmental Libraries***

Every department of the College has a separate library of its own. Books are issued to both teachers and students particularly of Major Courses and reference books. A section of the teachers have donated their books in their departments also.

- **Conference Hall**

The Conference Hall and Conference Room of the college are active centers for holding brainstorming sessions among the staff and the students. Different Socio-Cultural Organizations have also been using these facilities for their various events.

- **Auditorium**

A sprawling 8000 sq. ft. auditorium is already there in the college for smooth organization of mass events and activities throughout the session.

- **Hostels**

The Swapna Majika triple storied Girls' Hostel with an intake capacity of 120 offers excellent facilities of easy and comfortable stay. The Zoon Beel R.C.C. Boys' Hostel with an intake capacity of 50 students also provides a pleasant and cozy environment for academic pursuits to its inmates.

- **Purifies and Cold Drinking Water**

The college has been providing clean, pure and cold drinking water facilities to all the students and all other internal stakeholders.

- **Uninterrupted Power Supply**

The College has installed a 50 KW solar power plant from the subsidized grants of MNRE GoI since 2013 and has been facilitating uninterrupted power supply throughout the campus.

- **Digital Classrooms**

The college authority has introduced digital classrooms with smart boards in six class rooms, two seminar halls and one smart class room at ICT@college lab of the college to facilitate updated and smooth teaching learning mechanism. Students use these smart classrooms to present their seminar presentations as part of their curriculum requirements.

- **Boys and Girls Common Rooms**

The college has provided spacious separate Boys' and Girls' common rooms with attached toilets and necessary amenities for Girls Students.

- **Gymnasium**

The college has a sixteen station multi gymnasium near the college auditorium. The College also has a yoga centre.

● **Sports Ground with Grass Running Tracks**

The College has constructed a football field with grass running tracks from the financial support from UGC. After completion of the sports field the college fulfils its dream of having its own field. Earlier the College had to hire a sports field from the Jagiroad Sports Authority. Two GU Inter College Sports Tournaments were held at this field. The College also facilitates Indian traditional sports like, Kabbadi, Kho- Kho and Due Ball, a comparatively new Indian Game. It is a matter of pride that, as a result of the promotion of this Due Ball with its court at the College campus students could take part in national events twice.

Further, the College has recently completed a world class combined Basketball and Volleyball field just near the main gate. The combined field was constructed with financial assistance from UGC and RUSA. Students regularly practice at this combined Basketball and Volleyball field since the day of inauguration. The field was inaugurated by the hon'ble Minister Sri Piyush Hazarika, who is also the local MLA and an honorable member of the College Governing Body.

● **Canteen**

The college authority has set up a well-furnished canteen that offers its services to the students and staff of the College. Many social and government organizations have been utilizing this canteen for different occasions. These days during the lockdown period due to COVID-19, all food items are prepared at this canteen and served the quarantined persons stayed at two of its hostels and in academic blocks.

● **Open Air Sitting Places**

The College offers a serene open-air tree covered sitting space for students inside its premises. A lush green lawn is also being prepared for holding open-air sessions. The Annual Debate among the contestants of JCSU office bearers is an attractive event-traditionally held every year in the grass carpeted lawn.

Units, Cells and Societies

● **NCC**

Jagiroad College's NCC Unit has been operational since 1984. It is an active Cadet Unit with the Motto: UNITY and DISCIPLINE. The cadets take part in a variety of events as periodically announced by 8 Assam BN, Nagaon, including the Annual Training Camp, Army Attachment Camps, Combined Annual Training Camp, Sainik Camps, Republic Day Camp, and Blood Donation Camp. This year was no exception and the unit actively participated in a blood donation camp, tree plantation drive and also celebrated the NCC day with fervour and gaiety. The NCC strives to inculcate in its cadets endurance, tolerance, and officer-like traits. The CTO is currently Mr. PritomDoley, Assistant Professor, Department of Political Science.

The NCC Unit of Jagiroad College has been allotted a total of 75 cadets' enrolments overall. Our Achievements in 2023:

1. First Prize in Independence Day
- Our Achievements in 2024:
1. Second Prize in Republic Day
- Also 6 cadets have been selected to become 'Agniveer' of the Indian Army, they are:
1. Mrityunjay Deka (GD)
 2. Abhiraj Senapati (GD)
 3. Nitu Deka (GD)
 4. Hirok Jyoti Sangmai (GD)
 5. Akash Biswas (GD)

● *NSS*

The College N.S.S. Unit set up in 1988, has been organizing programmes on themes like 'Clean your Locality', 'Green your Locality', 'Clean your Campus', 'Green your Campus', besides holding awareness programmes on topics of various public interests. Mr. Amar Deka, Assistant Professor in History has been holding the charge of the Program Officer of the College NSS unit. Some of the activities carried out by the unit are Constitution Day observed by the Jagiroad College, World Environment Day celebration, Observation of World Blood Donor Day, Azadi Ka Amrit Mohatsav Celebration, NSS Day Celebration, District Day Celebration, Rally for National Integration, Campus Cleaning Programme, Constitution Day Observation, International Day of Yoga, World Bicycle Day, **Plantation Drive in the College Campus.**

● *Scouts and Guides*

The College also has a unit of the Bharat Scouts and Guides functioning since 2004, which aims at developing a spirit of service, good character and good health among the members.

● *Jagiroad College Students' Union*

The union body of the students is constituted by holding a democratic election annually among the students. It plays an active and collaborative role in fulfilling the aims and objectives of the Institution.

● *Grievance Redressal Cell*

The College authority is quite conscious about the grievances of stakeholders and hence set up an effective Grievance Redressal Cell to professionally manage grievances and undertake ameliorative steps. Regarding the grievances of students and guardians, the Grievance Redressal Cell members have been effectively guided by the Principal of the college. The Grievance Redressal Cell aims to undertake effective and professional management of grievances of all stakeholders.
